DuPage County Unincorporated Address Numbering System

Most buildings in the unincorporated areas and in the villages of Glen Ellyn, Glenview, and the villages of Wayne and Winfield are addressed using the DuPage County Unincorporated Address Numbering System.

This system has 16,000 unique addresses at the intersection of State and Madison streets in downtown Chicago. Addresses are referred to by the number of miles north/south or west of this intersection. Even addresses are assigned to the north side of the street; odd addresses to the south and east sides of streets.

Eight hundred unique addresses can be assigned to one side of a street for each linear mile of this system.

MUNICIPAL ADDRESSING SYSTEMS

Odd numbers on south and east sides of the streets: Downers Grove, Glendale Heights, Glen Ellyn, Lombard

Odd numbers on north and east sides of streets: Carol Stream, Wheaton

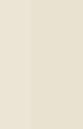

Odd numbers on north and west sides of streets: Naperville
